

2018 Ride For Doug

DONOR SHEET

Welcome to the 2018 Ride For Doug Team. YOU are a key component to making this year's Ride For Doug a success. Remember—if you bring \$50 or more in donations from your friends, family, co-workers or riding buddies, your registration fee is waived. For 2018 there is a choice of projects. Please see the attached page for more details, or visit www.RideForDoug.com/donate-now

Keep track of the donations you collect, as well as the donations you collect online from your friends. We'll be recognizing fundraising efforts at the ride.

Name	Mailing Address	Postal Code	Select the Project to support:			Cash	Cheque	Online	Total
			MDC—Muscular Dystrophy Canada (tax Receiptable)	Accessible Vehicle Project (<u>not</u> tax Receiptable)					
<i>Donor Name</i>	<i>123 Any Street, Langley, BC</i>	<i>V1A 2B3</i>	\$30	\$20		✓		\$50	

Make cheques payable to: **“Ride For Doug”**
Online donations can be made at www.RideForDoug.com

Tax receipts will be issued by Muscular Dystrophy Canada (MDC) for all donations of \$20 and above. In order to receive a tax receipt, you **MUST** complete a full mailing address AND postal code. Tax Receipts will not be issued for donations to the Accessible Vehicle Project.

2018 Ride For Doug

Over the first 11 years of Ride For Doug, you have helped to raise over 220,000 for Muscular Dystrophy Canada. This money has supported research, and funded equipment for Muscular Dystrophy patients. Thank you. For 2018 we have two different ways that your money can help. You can continue to support Muscular Dystrophy Canada, and all of the good work they do. Or you can directly support Doug through helping pay for an accessible vehicle to carry his new power chair in.

Option #1—Muscular Dystrophy Canada

MDC continues to play a major role in supporting all those with neuromuscular disorders. Funds raised by MDC go towards research, education, equipment, services, and other supports for people living with Muscular Dystrophy. Ride For Doug is proud to be in our 12th year of partnership with MDC.

Donations above \$20 made to MDC are eligible for a Revenue Canada Tax receipt. Please include your full mailing address for a receipt.

If donating by Cheque

- Make it payable to “Ride For Doug”
- Indicate in the memo line which Option you selected
- Fill in the DONOR SHEET with the amount in the column you select

If donating by Cash

- Fill in the DONOR SHEET with the amount in the column you select

If donating online

- Go to www.RideForDoug.com and select the Donate button
- Fill in the DONOR SHEET with the amount in the column you donated to so the person collecting from you receives their full recognition

Option #2 - Accessible Vehicle Project

This year (2018) we have a special project. Doug has just received his first power chair. We do not have a vehicle that can carry it, so right now he can only use it close to home and in good weather. Doug also turns 16 this fall. We are raising money towards an accessible vehicle that Doug can also drive.

It costs on average \$20,000 to \$30,000 to modify a vehicle to be accessible. This is on top of the base cost of the car /van itself. We do not know exactly how much a vehicle for Doug will cost, as he can not be assessed for the modifications necessary to drive until he is 16.

We want to be ready.

Any funds raised above the cost of the Accessible Vehicle will be used for the next major equipment need that Doug has.

Please note: Donations to the Accessible Vehicle are NOT eligible for Revenue Canada Tax Receipts

Tax receipts will be issued by Muscular Dystrophy Canada (MDC) for all donations of \$20 and above. In order to receive a tax receipt, you **MUST** complete a full mailing address AND postal code. Tax Receipts will not be issued for donations to the Accessible Vehicle Project.
